

"KUT-ME UPS"

Do you want to have a little friend at your area. Then this is what you can do.

1. Download and print the high resolution PDF of this document onto heavy card stock (link above). Use Landscape mode.
2. Cut along the dotted lines, then follow these simple and clear instructions. Send photos of your successfully executed Kut-Me Ups to chris@achewood.com if you feel that you did a good job. Do not expect a reply.
